

LANDICE

COMMERCIAL ELLIPTICAL

THE INDUSTRY'S TOP-RATED ELLIPTICAL WORKHORSE

MACHINES
BUILT
TO LAST

The Landice E9 Commercial Elliptical is manufactured to exceed industry standards. It is one of the most durable and safest ellipticals on the market. The E9 accommodates any fitness level with adjustable stride length, easy entry and one of the lowest step-up heights in the industry. This machine is designed to satisfy any light commercial or club application.

THE ELLIPTICAL WORKHORSE

The Landice E9 Commercial Elliptical offers multiple and varied workouts with just one machine. Its center-drive technology replicates the natural stride of outdoor running with zero-impact on your knees. Stand upright on the frame's stationary platform and isolate your workout to strengthen your upper body using the machine's variable resistance settings.
