

UBK 885

Experience™ Series

Upright Bike

Product Highlights

The UBK 885 upright bike adds value to your facility by combining essential reliability and ease-of-use with smooth pedaling and biomechanically correct geometry. The UBK 885 features custom-designed handlebars with integrated touch heart rate in two places for maximum comfort.

Product Features

1. P82 Console

The P82 console not only offers a brilliant 15 in / 38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion, but when networked, is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

2. Over-molded Handlebars

The over-molded style adds comfort and durability while offering dual heart rate contacts and three ergonomic riding positions: upright, cruising, and road.

3. Seat Adjustment and Improved Saddle Design

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

4. Dual-sided Pedals

The dual-sided pedals allow the exerciser to use the pedals with or without the integrated straps. The extra-wide pedals comfortably accommodate feet of all sizes to ensure proper pedaling form.

5. Ease of Maintenance

The easy-to-remove shroud ensures quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank.

Gloss Metallic Silver

Refined colorways with dark Tungsten covers and two frame color options.

Black Pearl

Specifications

Dimensions (L x W x H): 48 x 21 x 62 in / 122 x 53 x 157 cm

Equipment Weight: 169 lb / 77 kg

Power: 120 volt, 15 amp circuit

Total Workouts: 17

Resistance Levels: 25
