LOW IMPACT, HIGH INTENSITY – FULL WORKOUT

The new **Jacobs Ladder X** is an intense Ladder Climbing Exercise Machine designed specifically for training fitness enthusiasts, athletes and professionals. The JLX is self-powered and specifically designed for the commercial market. The redesigned display gives a dashboard look at workout intensity levels based on speed. Jacobs Ladder is designed so the higher you climb, the faster the rungs go, and the JLX marks the first major redesign to Jacobs Ladder in over 20 years. **The new JLX by Jacobs Ladder: Love to hate it.**
