## Experience<sup>™</sup> Series

# ELLIPTICAL

## Product Highlights

The EFX<sup>®</sup> 781 combines essential reliability and ease-of-use with touch screen technology at a value just right for you. This elliptical is designed to ensure easy cleaning and maintenance for you while providing a comfortable and effective workout for your exercisers. The simple, clean design holds up under heavy commercial use, ensuring your investment will last into the future.

## Product Features

### 1. Handlebars

With moving handlebars, exercisers can push and pull with their upper body to achieve a total body workout.

### 2. P82 Touchscreen Console Connects to Apple Watch<sup>\*</sup>

The P82 console offers a brilliant 15 inch screen that's ergonomically positioned to deliver crystal clear entertainment viewing for exercisers in motion. When networked, it is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility. Available with the optional Precor Smart Watch Connector for Apple Watch<sup>®</sup>.

### 3. Fixed Ramp

Ramp incline is optimally set at 20 degrees for an effective lower body workout.

### 4. Covered Rear Drive Housing

Experience easy maintenance with a covered rear drive housing that enables quick access for cleaning and service.

### 5. Active Status Light

To increase uptime, an external status light lets you and your staff know at a glance the operating condition of your elliptical and when to perform life-extending maintenance.
