

EFX® 883

Experience™ Series

ELLIPTICAL

Product Highlights

The EFX® 883 with Converging CrossRamp® combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. Design enhancements ensure easy cleaning and maintenance for you, while the unique adjustable Converging CrossRamp® technology and fixed handlebars deliver a comfortable lower body workout for your exercisers.

Product Features

1. Handlebars

Fixed handlebars allow exercisers to focus on lower body workouts at higher resistance levels or challenge muscle stabilizers during hands-free training.

2. P82 Touchscreen Console Connects to Apple Watch®

The P82 console offers a brilliant 15 inch screen that's ergonomically positioned to deliver crystal clear entertainment viewing for exercisers in motion. When networked, it is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility. Available with the optional Precor Smart Watch Connector for Apple Watch®.

3. Converging CrossRamp®

Patented converging footpath design and incline adjustments between 10 - 35 degrees, along with 20 levels of resistance, give exercisers a challenging workout with a more natural feeling stride.

4. Covered Rear Drive Housing

Easy to maintain with a covered ramp and rear drive housing that enable quick access for cleaning.

5. Active Status Light

Alerts staff at a glance when the EFX needs maintenance or service.
