

TRM 835

Experience™ Series

Treadmill

Product Highlights

The TRM 835 combines thoughtful design and performance to deliver an exerciser experience that feels right. The TRM 835 makes it easier for you to provide a customer-focused environment. Quiet and efficient, the streamlined assembly includes diagnostic tools to increase uptime and keep operating costs down.

Product Features

1. P31 Console

Finally, an LED console that works harder for you, your servicers, and your exercisers. Get integrated asset management to supercharge your service techs with extra information, right at their fingertips. Exercisers will enjoy the well-placed channel or volume change controls. The black color on the P31 looks great across the full range of Precor cardio equipment.

2. Power Factor Correction (PFC)

The highly efficient 4 HP AC motor drives are optimized with PFC for increased efficiency, improved performance, and reduced energy consumption by up to 30%.

3. Integrated Footplant Technology™

Integrated Footplant Technology recognizes the exerciser's natural foot speed and matches every stride for an ultra-smooth feel that enhances the workout experience.

4. Ground Effects® Impact Control System

This patented system combines ideal cushioning, support, and stability for exercisers. Precor treadmill decks are designed to absorb more impact in the front where exercisers' feet hit the belt. Added rigidity at the back of the belt allows for a firm push-off.

5. Active Status Light

To increase uptime, an external status light lets you and your staff know at a glance the operating condition of your treadmill and when to perform life-extending maintenance.

Storm Grey

Refined colorways with dark Tungsten covers and two frame color options, Storm Grey and Black Pearl.

Black Pearl

Specifications

Dimensions (L x W x H): 83 x 35 x 62 in / 211 x 89 x 157.5 cm

Equipment Weight: 420 lb / 190 kg

Power: 120 volt, 20 amp individual branch circuit

Total Workouts: 27

Motor Drive: 4 HP AC motor with Power Factor Correction

Speed Range: 0.5 - 16 mph / 0.8 - 25.5 km/h

Elevation Range: -3% to 15% incline in 0.5% increments

Language: English, Dutch, French, German, Italian, Japanese, Portuguese, Russian, Spanish

Network Capabilities: C-SAFE enabled
Mobile Device Charger - Standard

Entertainment: Optional - 15 in / 38.1 cm Personal Viewing System (PVS)
Optional - TV Audio Receiver

Accessories: Integrated Reading Rack
Optional - Cable Management

Warranty: Visit www.precor.com for warranty terms.
