

UBK 885

Experience™ Series

Upright Bike

Product Highlights

The UBK 885 Upright Bike features custom-designed handlebars with integrated touch heart rate for an efficient workout experience with maximum comfort. One-handed seat adjustment on or off the bike, a redesigned saddle for riding comfort, and improved knee over pedal spindle (KOPS) geometry for efficient pedaling all provide a smooth, comfortable workout.

Product Features

1. P82 Touchscreen Console Connects to Apple Watch*

The P82 console offers a brilliant 15 inch screen that's ergonomically positioned to deliver crystal clear entertainment viewing for exercisers in motion. When networked, it is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility. Available with the optional Precor Smart Watch Connector for Apple Watch®.

2. Over-molded Handlebars

The over-molded style adds comfort and durability while offering dual heart rate contacts and three ergonomic riding positions: upright, cruising, and road.

3. Seat Adjustment and Improved Saddle Design

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

4. Dual-sided Pedals

The dual-sided pedals allow the exerciser to use the pedals with or without the integrated straps. The extra-wide pedals comfortably accommodate feet of all sizes to ensure proper pedaling form.

5. Ease of Maintenance

The easy-to-remove shroud ensures quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank.

Storm Grey

Refined colorways with dark Tungsten covers and two frame color options, Storm Grey and Black Pearl.

Black Pearl
