

L7 COMMERCIAL TREADMILL

THE PINNACLE OF PERFORMANCE AND INNOVATION

For over 50 years, Landice has set the benchmark in commercial treadmill design, offering unmatched durability, innovation, and performance. Our advanced shock absorption system ensures a comfortable and joint-friendly workout, while our three console options —Landice Elite, Landice Achieve, and Pro Sports—cater to every fitness level. The L-Series is built with premium materials, delivering a smooth, reliable experience in any setting.

L7 Club Treadmill

Engineered for Excellence

The Landice L7 Club treadmill offers a powerful and reliable performance, designed to meet the needs of a wide range of users. With its high-quality construction and advanced shock absorption system, the L7 club delivers exceptional durability and comfort. It's the ideal choice for commercial facilities seeking a versatile treadmill that can handle both casual and high-intensity use, all while maintaining a smooth and consistent user experience.
